

WATERCREST

Activities Committee Report —September 19, 2022

Since its inception one year ago, the Watercrest Activities Committee has created and hosted a number of fun, creative, and meaningful community events for adults and our families.

We planted 75 American flags for Memorial Day, the Fourth of July, and will again for Veterans Day. We will announce when the flags will be planted and invite residents to participate. The flags were purchased through our fund-raising efforts during events, and from personal donations by patriotic members of our community.

We celebrated the 4th with family events that were held throughout the day. The day was a scorcher, but they rode their decorated bikes in a mini parade, played games, and enjoyed our community share potluck picnic and a happy birthday America cake.

As we put our fall calendar together, we invite volunteers who might like to join the Watercrest Activities Committee to message us on the Watercrest Activities Facebook group, or email Dlonsdale0608@gmail.com. Your level of participation on the committee is up to you. We have had a number of community service minded volunteers who have contributed their time and efforts, and wish to thank them all on behalf of all the residents of Watercrest.

We recently kicked off our September events with Fridays with Friends, and it was a hit! Everyone enjoyed the GitChewSum

WATERCREST

barbecue food truck and gathering with neighbors. Despite the rain, the event was well attended.

We are continuing to reach out to more local food trucks (that don't require a large cash deposit) to enhance our community events. GitChewSum will be returning on November 11th for our special, "Fridays with Friends-giving" event and will also be offering a turkey option.

This week on September 21st, Winesday Wednesday/Game Night is scheduled at 6:00-8:00 PM. Light snacks will be served, and two (cash) raffles will be held for bottles of wine that have been donated to the Activities Committee by a generous resident. We will be playing the "Heads Up!" game—a fun twist on charades.

This Saturday night, September 24th, is Watercrest Kid's Movie Night featuring Disney's 2022 live action movie remake, "Pinocchio", beginning at 7-8:45. We will be providing popcorn and Twizzlers to all who attend. Please bring your own beverages. Everyone of all ages are welcome to come.

Chick Flick Friday is on September 30, starting at 7:30. The movie will be announced shortly.

In a preview of next month, we have planned our second "Bring Your Own Pumpkin Painting" children's event, and the Taqueria La Marricelita Taco food truck on Sunday October 16th from noon-2:30. The annual Halloween parade, and trick or treating is scheduled for Sunday, October 30th.

WATERCREST

Lastly, we now have an Watercrest Activities display case at the Amenity Center for our announcements, which allows some space for real estate or rental property listings within Watercrest. Please do NOT tape any flyers to the front of our bulletin board(s) and feel free to contact us with any requests or for clarification.
