# WATERCREST NEIGHBORS

## FRIDAY WITH FRIENDS

Come and join friends and neighbors for food, music, fun and goodwill! Bring your favorite beverage in non-glass container, lawn chairs and snacks of your choice and hang out with us at the Amenity Centre every second Friday of the month. Don't forget to bring cash for the 50/50 draw with proceeds going to selected charities! Come and have fun while helping a good cause!

## KIDS EASTER EGG HUNT

Watercrest kids and grandkids had a great time making "stained glass" Easter Egg crafts, followed by an Easter Egg hunt on the 16th!

## WINE DAY WEDNESDAY

Join us for wine on the third Wednesday of the month. Bring your favorite wine in a non-glass container. Music and fun for those who are 21!

## WELCOME TO WATERCREST

Our beautiful community of Watercrest is such a wonderful paradise! We are close to the gorgeous Gulf of Mexico and magnificent sunsets. Picturesque downtown Venice is just minutes down Venice Avenue offering restaurants, shopping, music, theater and many public events!

### WHAT WOULD YOU LIKE TO SEE?

Submit articles or suggestions of events or gatherings you think our residents would enjoy and the WATERCREST NEIGHBOR will do our best to publish them!

Let us know of places of interest such as where to watch wildlife like alligators in their natural habitat or birds or lizards? Submit your best photos and we will do our best to help you share them with the community!

## RESIDENT DIRECTORY

Let's get a real resident directory up and running so we can communicate effectively with each other and not miss out on some of the extraordinary events in and around our community!

- music venues
- art shows
- plays

There is a lot to offer in our Venice and what better place than here in your very own WATERCREST NEIGHBOR to find out about events and organize trips!

The Watercrest HOA Board will be putting up a suggestion box so we can hear directly from our residents issues dear to them. The Board plans on putting up a resident access bulletin board where folks can post things for sale, events, parties and things of interest to our community!

THERE IS MORE TO COME!  
WATCH THIS SPACE!

Tell us about NASA launches or Elon Musk's latest blast into Space. Help us track the International Space Station by sharing your knowledge. We have neighbors who know these things and can point them out in the night sky. Many of us have seen launches in the sky over Watercrest.

If you know of music venues, art shows, classic cars, plays, garage sales or anything else that might be of interest to our neighbors, by all means share the news here with all of us!

Those talented individuals in our midst, please let us know where you are playing, the community would love to come and support you! Writers, artists, cooks, let's share our wealth of knowledge with our community!

We will have a dedicated email address where you can submit ideas and photos and announcements very soon.

For now, use the following email:
