

WATERCREST

Fridays with Friends

(September 19, 2022)

Last week, we celebrated our September "Fridays with Friends", and despite torrential rain at the start, lol, we had a great turnout!

The GitChewSum food truck brought their delicious barbecue to Watercrest, and because of the consensus of raves for their food, they have been invited back for our November "Fridays with Friends-giving" that will even include a turkey option.

Sharing an evening of great food, goodwill, and community, welcoming brand new neighbors, Marge and Dave Zimmer, and topping off the evening with a magnificent full moon made the evening extra special! Stay tuned for future fun!
